Patricio Picón - La lechuza *Campanaria*, *Tyto alba* (Strigiformes: Tytonidae) como regulador de plagas en un ecosistema urbano altoandino en el sur del Ecuador.

3. Talleres Asistidos

- Patricia Jaramillo (Málaga)
- Andrea Acurio (San Cristóbal)

4. Novedades

- Presentación de propuestas 2019: **(9 de enero – AYER!!)**
- Propuestas, Informes de avances, Informes de muestras
 - Presentaciones (15 de febrero)
- Propuesta de investigadores colaboradores o visitantes deben pasar por la Dirección de Ciencias antes de la entrega a la FCD.
- Incentivo por publicaciones (1500\$ dólares al año)
- Información sobre procesos de arreglo de visas (Cancillería)

5. Eventos

- Eventos científicos para conmemorar los 60 años

Event	January	February	February	March	April	May	June	July	August	September	October	November	December
California Academy of Sciences	from 21 until 2												
International Workshop Coral (Grant)		24-27											
Pennsylvania Presentations				13									
International Philornis Workshop		7 and 8											
Science Symposium GNPD and CDF								1,2,3					
General Assembly Symposium													
Malaga University						6 to 9							
60th Anniversary "Diamond Special Issue" of the Galapagos Research (available online)													
Marine Invasives Workshop													
Yachay Tech International Workshop					15 to 17								
Exhibit at Interactive Science Museum MIC													
Invasive Species Workshop with WildAid							Mid June						
Night life California Academy of Science								25					
Salon Type Dinners New York and London						London					USA		
Ecoventura Charter													
International movie donor event											28 Holland		
Movie Launch											28 USA		
Movie Santa Cruz Island												28	
Launch of Nat Geo plastic sculpture- Movies Isabela, Cristobal y Floreana					22								
ANNIVERSARY CDF								23					
Open House Santa Cruz								24					
Essay and Photo Contest								24					
Historical Exhibition for Anniversary													
Presidential Palace Galapagos Exhibit and Press Release Cocktail			11 and 12										
Fundraising Dinner in Quito													
Articles about CDF													
Staff, CDF VIP's & Community Members event for recognition								23					
Paid Ad Airlines Magazines													
Life Magazine 1958													
National Geographic Special Article 60th Anniversary													

- Reunión Comunicación California Academy of Science (CAS)

	Date	Activity
Monday, 21.01.2019		
Day 1 - AM	08:00 – 08:30	Welcome by the FCD Executive Director (Dr. Arturo Izurieta V.)
	08:30 – 10:00	Review Agenda and introducing the attendees (all)
	10:00 – 10:15	Break
	Actividad 1	*At this point, the "whale-assemblage group" may want to split and start the activity
	10:15 – 12:00	iNaturalist and BioBlitz – presentation by CAS
Day 1 - PM	14:00 – 15:00	Data Zone and FCD knowledge platform (Francisco Martínez)
	15:00 – 15:15	Break
	15:00 – 16:00	Exploring linkages (CAS-FCD)
Tuesday, 22.01.2019		
Day 2 - AM	09:00 – 12:00	Organization of BioBlitz Activity
	14:00 – 16:00	Organization of BioBlitz Activity (cont.)
	Actividad 2	
Wednesday, 23.01.2019		
Day 3 - AM	09:00 – 12:00	Scientific Projects Presentations (thematic-related working groups): fishes, birds, arachnids, etc.
Day 3 - PM	14:00 – 16:00	Scientific-working groups (thematic) – concept notes preparation
Thursday, 24.01.2019		
Day 4 - AM	AM – PM	BioBlitz Day (more 'community-linked' activity)
Friday, 25.01.2019		
Day 5	AM – PM	BioBlitz Day (more 'scientists-linked' activity)
Saturday and Sunday		Free / individual activities
Monday 28.01.2019		
Day 6 - AM	09:00 – 12:00	Working Session: 'brainstorming' session on expedition (CDF-CAS) (Scientific Context)
Day 6 - PM	14:00 – 16:00	Working Session: brainstorming' session on expedition (CDF-CAS) (Scientific Context) (cont.)
Tuesday 29.01.2019		
Day 7 - AM	09:00 – 12:00	Working Session: session on expedition (CDF-CAS): (Fundraising and planning)
Day 7 - PM	14:00 – 16:00	Working Session: session on expedition (CDF-CAS): (Fundraising and planning) (cont.)
Wednesday 30.01.2019		
Day 8 - AM	09:00 – 12:00	CAS – open to the local Puerto Ayora Community (talks to local stakeholders) Proposed venue (Miguel Cifuentes)
Day 8 - PM	14:00 – 16:00	CAS – open to the local Puerto Ayora Community (other activities with stakeholders) (tbd) OR BioBlitz – Feedback and steps forward (feedback on activity conducted)
Thursday 31.01.2019		
Day 9 - AM	09:00 – 12:00	Marine or terrestrial expedition (free option) Possibility to join Sharks Ambassadors activity
Day 9 - PM	14:00 – 16:00	Marine or terrestrial expedition (free option)
Friday 01.02.2019		
Day 10 - AM	09:00 – 11:30	Wrap-up session and next steps
Day 10 - PM	11:30 – 12:00	Closing – cocktail

Saturday 02-02 group - departs

- Universidad Hebrea de Tel Aviv, Israel

6. Socialización de procesos nuevos

- Protocolo de seguridad
 - Contingencia
 - Teléfono satelital / comunicación (presupuesto cada proyecto cubre costos)
- Traducciones

7. Varios

- Tema “URGENCIA”. Se debe replantear o definir el termino URGENCIA para solicitudes.
- Tema días para reuniones

Lunes, martes, miércoles – Reuniones y consultas
Jueves viernes: solo emergencias.

- Campañas por parte de PI’s Comunicación – Awareness
 - Que acciones específicas se buscan (Vermillion Flycatcher / Summer camp)
 - “Call to action”
- Cocina de voluntarios.
- Rol de cada área debe ser respetado
- Atrasos – Puntualidad
 - Asistencia a eventos, salidas, enfermedad, break/pausa (10:00 a 10:15)
- Fiestas en el campus – Horarios de trabajo (retrasos)
- Seguridad en el campus – puertas abiertas, laptops en las puertas.
